DRAFT DECISION

98/xx. UNDP/UNFPA reports to the Economic and Social Council

The Executive Board

1. Takes note of the reports to the Economic and Social Council (DP/1998/14 and DP/FPA/1998/2) and of the recommendations therein and decides to transmit them to the Economic and Social Council, together with the comments made by delegations and statements and answers given by the Administrator of the United Nations Development Programme and the Executive Director of the United Nations Population Fund at the present session;

2. Calls on the Administrator and Executive Director to provide in future reports to the Economic and Social Council: a thorough analysis of problems encountered and lessons learned in the field; a focus on issues that will permit the Council to fulfil its coordinating role; and, in this context, to present relevant statistical data in a consolidated manner;

3. Invites the Administrator and Executive Director to consult with other members of the United Nations Development Group on a consolidated list of issues central to the improved coordination of operational activities for submission to and consideration by the Economic and Social Council during its 1998 substantive session;

4. Also invites the Economic and Social Council to recommend, at its 1998 substantive session, actions intended to increase the usefulness of these reports as inputs to the deliberations of the Economic and Social Council, as called for in General Assembly resolution 48/162, by inter alia, considering whether any issues in the current format are suitable for joint recommendations by the funds and programmes.
